

pello

Good treats. Happier dogs.

A warm, playful identity for everyday
moments between dogs and their people.

More joy in the everyday.

pello makes treat time feel like a small act of connection: friendly, thoughtful and full of character.

POSITIONING

A contemporary dog-treat brand for people who want products that feel as considered as the rest of their home.

Joy	Playful details, without visual noise.
Clarity	Simple choices and readable information.
Care	Dogs and their people at the centre.

01 / THE MARK

A little dog. A lot of character.

ORIGINAL PRIMARY LOCKUP

The lowercase wordmark is confident and approachable. The dog-head symbol also reads as a playful letter p.

Vector outline reconstruction from the supplied PNG. Guides explain the silhouette; they do not claim the original construction method.

02 / CONSISTENCY

One identity, every size.

Primary / light background

Reversed / dark background

Single colour / production

COMPACT HORIZONTAL LOCKUP

Use for website headers and narrow formats.
Use the symbol alone for avatars and labels.

CLEAR SPACE & MINIMUM SIZE

x = 1/4 symbol width.
Clear space: at least x.
Full logo: 30 mm / 120 px.
Symbol: 7 mm / 28 px.

DO NOT

Do not crop, stretch, rotate, add effects
or change the relationship of the parts.
Use only approved colour versions.

03 / COLOUR

Warm at heart. Clear on shelf.

Orange and cream lead the brand. Sage and blue distinguish proposed recipe variants; the logo stays consistent.

RECIPE CODING

Peanut Butter / Orange

Turkey / Sage

Salmon / Dusty Blue

Use dark text on light fields for information. CMYK values are starting-point conversions; final print colours depend on stock, ink and finish.

04 / FONTS

Friendly voice. Confident type.

DM SANS / BOLD, MEDIUM & REGULAR

Good treats. Happier dogs.

Aa Bb Cc Dd Ee Ff Gg

0123456789 & @ ?

Primary family for headlines, packaging information, website UI and everyday communication.

FRAUNCES / MEDIUM

Peanut Butter Bites

An expressive secondary face for recipe names and short editorial moments. Use sparingly.

SUGGESTED DIGITAL HIERARCHY

Hero / DM Sans Bold	48–64 px
Body / DM Sans Regular	16–18 px
Labels / DM Sans Medium	12–14 px
Recipe / Fraunces Medium	24–32 px

Supporting fonts: DM Sans and Fraunces, available from Google Fonts. The supplied pello wordmark is artwork, not live type. These families are proposed for the wider identity, not claimed as the source font of the logo.

05 / VISUAL ASSETS

A recognisable world around the logo.

01 / Organic panel

A soft cream field frames the brand and echoes the rounded symbol.

02 / Emblem repeat

Space the intact symbol generously. Use on tissue, fabric and inserts.

03 / Accent language

Round badges, short dashes and generous curves. Keep details purposeful.

PHOTO STYLE / Warm daylight, honest texture, dogs in natural moments, one clear focal point.

06 / HOW IT IS BUILT

From flat artwork to finished pouch.

REVERSE PANEL / CONTENT MAP

DESIGN SEQUENCE

01 Colour base / 02 Cream panel / 03 Logo / 04 Recipe / 05 Approved copy

Schematic design guide, not a cutting die. Use the converter's exact dieline and approved product copy for production. Recipes, weights and claims shown in mockups are illustrative.

One system. More ways to treat.

Colour changes by recipe.
Logo, cream field and hierarchy stay consistent.

09 / EVERYDAY COMPANIONS

Made for
their kind of day.

A family that belongs together.

COUNTER DISPLAY / RECIPE BLOCKING / LARGE BRAND MARK

Good content. Happier feeds.

A warm mix of real dogs, product detail
and simple typographic moments.

CONTENT RHYTHM

01 Treat time

Dogs and the people who love them.

02 Product stories

Recipes, textures and packaging detail.

03 Brand moments

A bold phrase, the symbol, a warm colour.
