

POLDR.

BRAND IDENTITY / 2026

Quiet force. Lasting form.

An architectural wardrobe.
A considered way of moving.

VALERYIA KLUSHYNA

01 / POINT OF VIEW

Designed around presence.

POLDR. is a contemporary fashion concept built around precise silhouettes, tactile surfaces and a quietly assertive attitude.

POSITIONING

Premium, design-led ready-to-wear for people who value proportion and material over decoration. A fluid wardrobe of tailoring, knitwear and considered essentials.

MISSION

To make getting dressed feel deliberate, effortless and personal.

01

Precision

Every detail has a purpose.

02

Restraint

Space creates presence.

03

Tactility

Texture carries character.

An identity with structure.

EXTENDED PROPORTIONS

Wide geometric capitals establish a calm, architectural rhythm.

OFFSET RULES

Two fine bars around the L create a recognisable signature.

THE FINAL POINT

The terminal square gives the wordmark a precise ending.

Vector silhouette reconstructed from your supplied logo. The outline view explains the existing artwork; it is not a claim about its original construction process.

03 / CONSISTENCY

One mark. Controlled variation.

PRIMARY / CHALK

REVERSED / GRAPHITE

ACCENT / OXBLOOD

DO / DO NOT

DO keep the original proportions.
DO use a single solid colour.

DO NOT remove the bars or point.
DO NOT place on busy imagery.

A restrained spectrum.

Use Graphite and Chalk as the foundation. Stone and Steel support; Oxblood is a rare accent. CMYK values are starting conversions: approve printed swatches on the chosen stock. Metallic silver is a finish, not a screen colour.

Precision meets expression.
